

Two audiences, two front doors, one brain

A unified enterprise agent for Kohler India — customers get answers and support, employees get complete internal knowledge. Same brain. Same rules. Same record. Restricted data never leaves the building.

EXTERNAL — CUSTOMERS

Get support via phone or website, in 11 Indian languages.

PUBLIC KNOWLEDGE ONLY

Phone (11 languages) or Website

Sarvam AI voice agent: +91 79658 53481 or web chat

Accesses public information only

Warranties, returns/refunds, product specs, water savings, privacy notices

Ask and take action

Sign in with mobile number to look up orders, register warranty, file a claim (with photos), request a call-back, or ask the team

Get recaps & continue seamlessly

Receive SMS + email summaries and switch between phone and chat mid-journey

INTERNAL — EMPLOYEES & CUSTOMER CARE

Ask, resolve and manage — all from one console.

PUBLIC + INTERNAL + RESTRICTED

Web Console

Simulated SSO (mobile-number login in prototype)

Accesses full knowledge base

Public + internal + restricted: HR, Finance, Legal, Privacy, Support procedures, Sustainability

Ask anything, get structured answers

With citations and version flags. Receive answers as text / JSON / Excel / XML / email.

Work the shared ticket queue

Take tickets, check policy inside the ticket, draft response and decide. Claims are never auto-approved.

2 AUDIENCES

2 CHANNELS + 1 CONSOLE

6 KNOWLEDGE BASES

3 internal-only, 3 customer-facing

80 DOCUMENTS / 1,540 CHUNKS

11 INDIAN LANGUAGES

LEAK TEST 0

restricted chunks to cloud

1. USER INTERFACES — TWO FRONT DOORS

EXTERNAL - CUSTOMERS

- Phone (Sarvam AI voice agent)**
11 Indian languages • Inbound / Outbound
- Website chat**
Ask questions • Product info • Warranty

A CLEANER
BRIGHTER WORLD

SIX INNOVATIONS THAT MAKE IT DIFFERENT

ONE AGENT. REAL IMPACT.

01

Full-Capability Voice for Customers

EXTERNAL

- ✓ Real number – 11 Indian languages (mid-call switching)
- ✓ Natural, order, registration, complete 7-question claim intake, team requests, call-backs
- ✓ Verified on live inbound and outbound calls

02

One Brain, One Memory Across Audiences

BOTH

- ✓ Phone, web and team share the same brain
- ✓ Greets caller by name; answers "status of my claim"
- ✓ Transcripts in ticket + SMS + email recaps
- ✓ Context carries across every interaction

03

Persona-Enforced Access + Data-Sovereignty Routing

BOTH

- ✓ Customer's see only public knowledge
- ✓ Internal restricted evidence reasoned on-device
- ✓ Audit log proves 0/452 leaks (phone traffic included)
- ✓ India data residency & DPDPA-compliant

04

Version-Conflict Detection That Shows Its Work

INTERNAL

- ✓ "Superseded" / "review recommended" banners with both revisions side by side
- ✓ Found real discrepancies (Warranty N12-A → N12-B: 3 → 5 years, Supplier Manual 2.0 → 5.0)
- ✓ Never says "non-compliant" without evidence

05

AnswerIR → Any Format in Seconds

INTERNAL

- ✓ Text, schema-validated JSON, Excel (with live calculations), XML, table, ready-to-send email
- ✓ The same answer is spoken on the phone for customers
- ✓ Cuts turnaround time from minutes to seconds

06

Human-in-the-Loop by Design

INTERNAL

- Agent prepares (intake, coverage, photos, recommendation)
- Specialist checks policy inside the ticket with cited sources
- Drafts from the whole thread and decides
- Every step is on the ticket's history

A UNIFIED JOURNEY FOR BOTH AUDIENCES

From question to resolution — the same brain, the same data, a complete trace.

● Customer Journey (External)

● Team Journey (Internal)

Customer Call / Web Chat
11 Indian languages

Claim Intake
Complete on first contact

Shared Record
Same memory across channels

Team Ticket
Call transcript + customer data

Policy Check
Cited sources + version flags

Human Decision
Approve, escalate or resolve

SMS + Email Recap
After every interaction

BUSINESS & SUSTAINABILITY VALUE

Real value for customers, employees, and a more sustainable future.

External / Customer Care

- ✓ Answers in seconds
- ✓ Complete claims on first contact
- ✓ Fewer repeat calls
- ✓ 24x7 coverage in 11 languages

Internal / Employees

- ✓ One queue for phone, chat, email
- ✓ Cross-department answers (HR + Finance + Legal)
- ✓ Format-ready outputs
- ✓ Faster, defensible decisions

Risk & Compliance

- ✓ No access to internal knowledge for customers
- ✓ Restricted content stays on-device
- ✓ Every call/web decision auditable
- ✓ 0/452 leaks (including phone)

Sustainability

- ✓ Optimizes service efficiency and resource utilization
- ✓ Enables circular product support (repair, parts reuse, extended life)

Global-Ready

- ✓ India model, global parent / India child → global KBs (one brain, local safe routing)
- ✓ Add a market, language or KB without touching the core
